Get ready — the Montana Angus Tour is coming back to the Hi-Line in 2026!

From September 22-24, 2026, more than 250 visitors will make their way to the Hi-Line for the 2026 Montana Angus Tour, hosted by the North Central Montana Angus Association. Seedstock producers, ranchers, industry leaders and Angus enthusiasts will gather on the Hi-Line to experience the unbeatable hospitality, wide-open views, and down-to-earth lifestyle that make the heart of Montana so special.

The North Central Montana Angus Association is excited to host this once-every-seven-years event and invites you to be part of it through sponsorship!

Four sponsorship levels are available, each offering great visibility and recognition — putting your company at the fingertips of your target audience.

The 2026 tour booklet will be published in both digital and print format. Each registered attendee receives their own print copy of the booklet and the digital version will be available on the North Central Montana Angus Association website and shared on their social pages.
