9 am **ROV Angus Show**

11 am **MAA Board Meeting**

5:30 pm **NILE Angus Female Sale**

Saturday, October 17

11am **Basin Angus Elite Female Sale, BLS**

Welcome to the 2026 edition of the NILE Angus Female Sale.

The NILE Angus Female has the reputation of being a go-to source for some of the most elite Angus genetics offered by the excellent breeders in Montana. This year's sale is no exception!

The history of this sale is nothing short of legendary due to Montana breeders offering some of their most elite genetics which have gone on and served as foundational breeding pieces in herds throughout the country.

This sale would not be what it is without the consignors who offer up several of their best females for sale at the NILE. A profound THANK YOU goes out to each and every one of the consignors who stepped up to make this offering so special. Their participation not only strengthens this sale, but also supports the Montana Angus Association and its members, allowing us to showcase the high-quality genetics found in this state.

This auction has a variety of types and kinds for consideration. For the juniors in your family, there is a great selection of heifers who will no doubt be competitive in the show ring, and the Montana Angus Junior Futurity is a great program for youth to be involved in. Visit the Montana Angus website for more information.

This year's offering will once again feature an outstanding group of bred heifers and heifer calves. Additionally, there are some very special picks of the herds this year. The gates will be opened and nothing held back for these picks, and they are truly unique opportunities to get your hands on females that would not otherwise be open to the public to purchase. The embryo packages and heifer pregnancies were hand selected to represent years' worth of genetic selection and provide the best matings possible, with a world of potential ahead of them. It is no doubt that many of the offerings will go on and be foundations in your herd for generations to come.

It is truly a pleasure to work with all the consignors and buyers. Please reach out to Ron or Devin with questions or if you need assistance. We look forward to seeing how these genetics will move your program forward!

Thank you for your interest in the 2026 NILE Angus Female Sale!

Bred Heifer

offered by 3C Cattle LLC

We have definitely pulled all stops and brought you one of the elite bred heifers out of the heart of our herd. 3C Countess Jenny 5080 demands your attention in the pasture. She is put together very well in a refined, feminine package, but yet has the depth of body and dimension to go with it. She also offers a very balanced EPD profile with all the indexes in the top 25% of the breed! Her dam is a beautiful, tight-uddered cow that yields a solid calf every year with a 365-day calving interval. Her sire, Basin Jameson, offers top-end \$Maternal genetics, backed by the proven and time-tested Basin Joy cow family.

Due approx. January 25th to Sitz Prefix 725M. Ultrasounded safe to the AI. He offers outstanding \$Maternal, Functional Longevity and udder quality backed by a proven cow family. If you are looking to inject true maternal power into your cow herd, 3C Countess Jenny 5080 is an excellent choice!

Heifer Calf

offered by 3C Cattle LLC

This heifer calf offers true brood cow potential but yet will be competitive on the shavings. She offers tons of depth and center rib dimension but is also attractive and eye appealing on the move. She offers a versatile set of EPDs and yields indexes that are all in the top 30% of the breed. Her dam is a bit more moderate in stature but is tight-uddered and ratios 3 @ 101 for yearling. Her sire, 3C Blackjack 4055, was the top-selling bull in our 2025 Sale and was chosen by Leadore Angus as an elite herd sire.

This will be the first daughter to sell out of this up-and-coming young sire. Here is a chance to be on the front end of these genetics, and she will be an asset in your herd for years to come!

Sire of Lot 2

Bred Heifer

offered by Arntzen Angus

A A R Blackbird 9044
Dam of Lot 3

- Great opportunity to buy a powerful heifer out of the most influential cow AAR has produced. Blackbird 9044 has put 140 calves on the ground, including many herd sires and Pathfinder daughters. 9044 has averaged over 20 eggs per conventional flush. She is as predictable as she is fertile.

- The sire, Agenda J043, has sired excellent docility, foot structure, udder quality and very easy-fleshing progeny.

- Blackbird N151 is very feminine, sound on her feet and has a well-balanced EPD profile. Moderate birth with top 10% WW and 20% YW. Top 3% HP, FL along with top 2% SC, Doc and \$M.

- AI bred to the Genex sire A A R Midas. Midas, a son of KG Justified, has been gaining popularity in recent years due to excellent phenotype and an attractive EPD profile.

Heifer Calf

offered by Barragree Cattle Co

BCC Everelda Entense 58J
Dam of Lot 4

33P is the perfect example of what can be accomplished through Embryo Transfer. What a heifer, what a pedigree! A maternal sister to one of the hottest bulls in the breed, BCC Rapport. Rapport progeny topped many of the top bull sales in the country this past spring sale season. Semen demand for him was extremely high this spring, and he would be one of ST Genetics' top-selling young bulls. 33P stems from the Everelda Entense cow family, one of the most dominant cow families the Angus breed has ever seen.

The sire of 33P is also one of the breed's most popular sires. **Hi Country progeny made a tremendous impact in his first year, with some of the strongest progeny sales seen across the breed.** Look for sons and grandsons to be major contributors to the Angus breed for the foreseeable future.

33P has all the attributes to be a special female. She is a standout! Few heifers look like they belong in the donor pen as a calf, and the buying public will be the judge, but this kind are hard to find.

Heifer Calf

offered by Barragree Cattle Co

Here's a March heifer calf that has a bright future. After her show career is done, you'll still have a wonderful cow. She possesses a sharp front and is really long-sided. Her balance will undoubtedly carry her to the backdrop. 79P is the kind judges seek—a complete heifer with no weaknesses.

The dam has been a great producer at BCC, offering many show prospects with outstanding results.

The sire of 79P is one of the most popular sires to hit the market in years. The mating of King Pin to the dam of Marvel has given the industry a bull to be excited about. A calving-ease sire that possesses the shape of a big-time show bull. His historic granddams are two of the most physically impressive females at PVF.

Heifer Calf

offered by Basin Angus/Nicole Stevenson

April-born ET heifer. Basin Winnie 6610 is a very feminine heifer prospect sired by Conley A 1. Basin Winnie 6610 is an attention-grabbing heifer with a neat and extended front end. This sweet and gentle heifer is perfect for any showman. Basin Winnie 6610 is a full sister to Lot 7 and a maternal sister to the dam of Lot 8.

Seller is retaining the right of one flush with three eggs guaranteed at the buyer's convenience and the seller's cost.

Conley A 1
Sire of Lot 6

Heifer Calf

offered by Basin Angus / Nicole Stevenson

Late March-born ET heifer. Basin Winnie 6609 is a complete and well-balanced heifer. This heifer is smooth made and ties elegantly from her shoulder into her neck. Study this one on the move – she has an excellent structure and presence. Her dam, EXAR Winnie 2075, is a powerful Insight daughter. Basin Winnie 6609 is a full sister to Lot 6 and a maternal sister to the dam of Lot 8. She is also a maternal sister to Basin Winnie 5601, who was purchased by Lainey Wurdeman in the 2025 NILE Angus Female Sale. Seller is retaining the right of one flush with three eggs guaranteed at the buyer's convenience and the seller's cost.

Heifer Calf

offered by Basin Angus / Nicole Stevenson

January-born ET heifer. Basin Winnie 6602 is a powerful show heifer prospect with added depth of rib. We love this heifer for her overall mass and dimension. Sired by PVF DLX King Pin 0058, an exciting sire known for adding elegance and dimension to his progeny. Her dam, Basin Winnie 3563, is sired by STAG Good Times 201 ET and was purchased by Jagger Flesch in the 2023 NILE Angus Female Sale. This mating should be competitive as a bred female, along with having a promising future as a cow.

Marda Blackbird 45 is a direct daughter of the \$26,000 Marda Blackbird 718, tracing back to the \$265,000 Ingram Heisman. Marda Blackbird 45 has great HP, a very controlled mature height and weight, outstanding docility, great foot scores, high \$M and a very balanced set of dollar values.

The sire, Schiefelbein Executive 1243, was the \$420,000 high-selling bull of the 2024 spring bull sale season. Executive is long-bodied and fancy-profiled, with rib, thickness and depth. His tremendous presence combined with an elite EPD profile is a true complement in this mating. This heifer pregnancy is truly one to be excited about.

Selling buyer's choice of two heifer pregnancies out of the outstanding Three Rivers daughter, Ingram Bells Girl 2748, who was the high-selling female at the 2023 Ingram Female Sale. This cow traces back to the very attractive Bells Girl cow family. Her look, combined with outstanding growth, very good SC, breed-leading foot scores and very balanced dollar values, makes her a true standout.

The sire of the A pregnancy, EZAR Spurs Up 1125, is known for passing on strong growth and maternal traits while complementing a balanced phenotype. The sire of the B pregnancy, Sitz Eternity 739L, led off the 2024 Sitz Angus Sale and made a name for himself with his captivating presence, impeccable structure and flawless feet.

Both pregnancies offer the potential to produce a heifer worthy of competing in the show ring and then returning to the herd as a foundational female who will have a strong impact for generations.

Heifer Calf

offered by C Spear Angus

Basin Jameson 1076
Sire of Lot 12

Vermilion Spur E143
Maternal Grandsire of Lot 12

Cook Erica 6137 stems from a long line of highly productive females on both sides of her pedigree. She is a beautiful daughter of the record-setting \$600,000 Basin Jameson, a sire that needs no introduction, and is backed by a highly proven Vermilion Spur E143 daughter who has earned her way into the donor pen through her consistency and ability to raise a good one year after year. 6137 is an impressive genetic package, ranking in the top 1% of the breed for Claw and \$M, with an outstanding +133 \$M, one of the highest values in the breed. She also ranks near the top of the breed for numerous additional economically relevant traits, making her a female that deserves serious attention on sale day. With proven maternal power, elite genetic merit, and a pedigree built around productive females, Cook Erica 6137 is the kind of female that can make a lasting impact in a breeding program.

Bred Heifer

Bred Heifer

offered by *Flying V Angus*

Connealy Craftsman
Sire of Lot 14

AI bred to Down T Venerate 5/19/2026, confirmed due 2/25/2027 by ultrasound carrying a heifer calf.

A class act daughter by Craftsman with the credentials to be a productive herd addition. She carries the CAB stamp for her balanced carcass traits, while ranking in the top 30% for DMI, HP and docility.

Her dam is a broody, maternal cow with an ideal body type and beautiful udder design. Backed by the Pride cow family that traces back to a female purchased from Stevenson Angus.

15

Gartner-Denowh Angus Ranch

PICK OF 2025 BRED HEIFERS

Pick must be completed by December 31, 2026

Over 222 head of AI bred heifers to pick from, including 40 ET females. AI'd on May 2 and 12, 2026.

The GDAR program spans seven decades and four generations of breeding Angus cattle. Over the years, it's been our good fortune to place sires in all the major AI companies and to see our genetics reach not only U.S. breeders, but cattlemen across several continents.

The 2025 heifer calf crop is somewhat unique to the GDAR prefix. We added several new, exciting sires and they seem to have fit the mold of what we expect in our females.

To whoever purchases this great opportunity, rest assured we want you to make the best decision possible for your program, and we will do whatever is necessary to make that happen.

Featured Sires and Donors

S Garrison K38 AAA 20404814

Purchased from Spickler Ranch North, this Architect son best fit our program. Long and powerful, he is a true performance bull.

GDAR Justo 2711 AAA 20392678

The top-selling bull in our 2023 Bull Sale. A calving ease sire that doesn't sacrifice growth. Justo combines the strength of Justified, All Pro, and Game Day.

GDAR Blackcap Lady 2258

AAA 20392248

Purchased by Basin Angus as the pick of the GDAR heifer calves in our 2022 Female Sale.

Talk about ROI!!! Her first bull calf, Basin Macallan 4179, was the second high-selling bull at \$40,000. Her natural heifer calf sold through last year's NILE at \$19,000. Basin Macallan 5017 topped the Basin Bull Sale in '26 at \$100,000. Purchased by ABS Global. Power in the blood at GDAR.

Baldridge Heat Seeker AAA 19806485

When looking for an outside AI sire, we chose Baldridge Heat Seeker—and we're glad we did. His maternal grand-dam, Baldridge Isabel Y69, is one of the great cows in the Angus breed. His dam is among the most exceptional females Y69 ever produced. Along with his tremendous phenotype, Heat Seeker's EPD profile fits nearly every breeder's wish list.

GDAR Bardolier 2363 AAA 20392352

Our pick to carry on the Bardolier lineage. Whistling Winds Angus selected 2363 out of the 2023 GDAR Bull Sale. Progeny exhibit exceptional shape and performance. Daughters have a real Angus mama-cow look to them. Sons have been very well received at auction. His granddam, Miss Blackcap 9232, is the dam of GDAR Leupold 298.

RC Lucchese L101 AAA 20827851

This young herd sire puts together the best of the Patriarch and Justified lines of cattle. He excels in phenotype, structure, calving ease, performance, fertility, and especially docility and maternal strength.

SITZ Vanderbilt 9492 AAA 20307900

One of the best Resilient sons to date. Structurally sound, with tremendous eye appeal. Athletic, free-moving, and a true standout.

GDAR Justified 914 AAA 19464109

One of the great sons of KG Justified. His daughters are outstanding — with exceptional feet, tight udders, and strong maternal instinct. A bull with the power to change a cow herd.

Bred Heifer

offered by Hideaway Cattle Co

VDAR Confluence 4273
Sire of Lot 16

Hideaway Donna 515 is a maternally driven female out of Hideaway Donna 117. The maternal power behind this bred heifer includes Coleman Donna 439, Coleman Donna 5247 and Coleman 9357, as well as her paternal matrons U2 Urelite 109Z, VDAR Polly 9260 and VDAR Polly 9697.

515 is an easy-fleshing heifer, being level-topped, square-made, excellent-footed and tremendously docile.

Her sire is our herdsire, VDAR Confluence 4273, who is included in the Beef 360 lineup. Confluence just finished breeding his third calf crop, and we are extremely excited (again), as he is a true calving-ease sire that adds tons of growth, foot quality, structure, fertility, muscle shape and docility to his calves. This will be only the third Confluence female we have sold, and we don't plan on selling any of this year's female calves.

She comes bred to Ellingson Badlands 0285, who has been used with great success by many astute cattlemen. **She is confirmed bred, due February 11, 2027.** We believe this mating will work wonderfully on the VDAR Confluence females and look forward to ours.

Heifer Calf

offered by Hideaway Cattle Co

B BAR BLACKMASS 3045
Maternal Grand sire of Lot 17

Hideaway Beauty 573 is an eye-appealing, powerfully made, complete heifer that combines the traits of multiple respected Angus programs. She ranks in the top 1% of the breed for functional longevity and top 10% \$M.

Her mother, VDAR Beauty 3747, is an excellent-uddered, big-hipped, well-made, easy-going daughter of the great B Bar Blackmass 3045. The mother of 3747 is the massive-bodied VDAR 0755 that is the epitome of the Van Dyke female: Feminine, Fertile and Functional.

We saw 573's sire, McCumber Glory Bound 4141, last summer and decided to sample him. We admired his massive spring of rib and tremendous power, all while travelling fluidly, creating his eye-appealing balance. The Glory Bound calves here all express the efficiency of the OCC program with the look and practicality of the McCumber Miss Wix cow family.

18

Granger Angus

PICK OF 2026 BRED HEIFERS

Choice from over 30 Bred Heifers
AI bred • Due February 12, 2027

This will definitely be a sale highlight! Jim and Beth Granger have been breeding Angus cattle for over thirty years. In that time span, only three females have been sold to other Angus breeders. This is truly a unique opportunity to tap into one of Montana's hidden Angus gems.

Granger Angus has been a stalwart of the Midland Bull Test over the past three decades. In that time, they have captured three Midland Champion Pen of Three Bull titles, including this year's Champion Pen of Three Bulls, sired by Granger Pacman 224. Pacman is the former high-selling and top-gaining bull from the '23 Treasure Test Sale. The Treasure Test Sale has always been part of the Granger Angus marketing plan. Bulls have sold to 22 states.

Obviously, performance testing is at the forefront of the Granger program. The cows are beautiful Angus females that must perform and are held to a high standard for the economic traits that keep a ranch profitable. Disposition is a must!

Daughters by These Exciting Sires

Granger Pacman 224

AAA 20457383

Former top-selling bull at the '23 Treasure Test Sale. Purchased by R K Perry. Sired the Champion Pen of Three at the 2026 Midland Bull Test. Pacman posts an impressive EPD profile. Top 1% Angle. 5% Claw. 10% RE. 20% \$C. 25% MB.

Basin Keystone 2021

AAA 20322583

2023 Basin Angus Ranch top seller and maternal brother to Basin Jameson. Strong \$Maternal sire that is known for maternal convenience traits, including Docility, Foot Quality, PAP, Hair Shedding and Maternal Calving Ease. Posts a +376 \$C.

Baldridge Heat Seeker

AAA 19806485

Very popular among breeders looking to hold phenotype while increasing carcass traits. Backed by one of the greatest cow families the Angus breed has ever known.

Bred Heifer

offered by JC Heiken Angus & Sons

S Armstrong
Sire of Lot 19

A combination of an exceptional young sire making his mark in the breed with an old-school, proven cow-maker pedigree on the bottom. The dam of this exceptional heifer has produced twelve calves while maintaining a 364-day calving interval. Perfect pedigree to create something special. Pedigree is filled with sires that have proven their ability to produce high-quality females. 5622 combines calving ease with top-end growth.

Ranks in the top 1% \$M, SC and HP. Top 15% TEAT, UDDR and \$W. Top 25% FL and \$C.

Armstrong blends striking phenotype, exceptional maternal value, structural soundness and proven genetic makeup.

Due January 31, 2027 to Heiken Keynote 5169. 5169 was the lead-off Baldrige Keystone son and top-selling bull in the '26 Heiken Angus bull sale.

Heifer Calf

offered by JL Farms

Linz Exemplify 71124
Sire of Lot 20

JLF Queen of Paintrock 6094 is a big-bodied, easy-fleshing female with the kind of look and genetic package that is hard to overlook. This is one Darryl was not easily convinced to consign, which speaks to the confidence he has in her as a cow prospect. She combines impressive phenotype with serious economic merit, ranking in the top 2% for \$F, top 15% for \$B and top 45% for \$C.

The last time we had a Queen of Paintrock female for sale was in 2015. She was a VAR Generation daughter purchased by Ben McRae, and she is still producing to this day. The McRae program has sold some of their top-selling bulls out of her, including four sons and one grandson sold this year. That kind of longevity and production is a testament to the strength of the Queen of Paintrock cow family.

Her sire, Linz Exemplify 71124, is an elite son of Connealy Confidence Plus and is out of the tremendous donor cow M A R Erica 1617. Exemplify was the high-selling bull of the 2019 Linz Heritage Angus Bull Sale.

Heifer Calf

offered by JL Farms

Square B Atlantis 8060

Sire of Lot 21

JLF Lucy 6013 is a gentle, moderate-framed female with an excellent silhouette. She is a granddaughter of JAF BCC Lucy 38Y, one of the foundational females in the JLF program. We have retained the majority of the heifers out of Lucy 38Y.

The cow family behind Atlantis is equally impressive, with his paternal grandam being the all-time high-income cow in the history of the Schaff Angus Valley program, while his maternal grandam is regarded as having one of the greatest EPD profiles in the history of the Connealy program. That combination makes Atlantis daughters especially intriguing as future breeding pieces.

We were late submitting her DNA, so please check Angus.org for her updated EPDs.

Heifer Calf

offered by JL Farms

SCC HF 24K LADY 331

Maternal Sib to Lot 22

This marks our third year offering daughters of SCC Highland Farms Lady 317 (Lola) through the NILE Angus Female Sale, and once again, her ability to stamp her progeny is evident. Her daughters consistently combine an elegant, feminine look with body, substance and clean lines. JLF Lady 6064 is no exception.

A lot of good things come together in this Dignity daughter. She is long-spined, feminine and stylish in her design. She is the kind of female that catches your eye from the ground up.

Her maternal siblings have been extremely successful in the show ring, most notably SCC HF 24K Lady 331, shown by the Bartlow family of Illinois. She earned a Reserve Division win at the National Western Stock Show, Reserve Supreme Female in Ring A at the Purdue AGR and Reserve Division at the Eastern Regional Angus Show in Harrisburg, Pennsylvania. JLF Lady 1254 won Reserve Champion Angus Heifer at the Wyoming State Fair.

Lot 22

Hinman Angus

PICK OF 2026 HEIFER CALVES

Pick from 180 heifer calves.

Pick must be completed by December 15, 2026.

Always a high-quality set of heifers to pick from at Hinman Angus. A foundation herd, decades in the making, allows for a real opportunity to add the very best Hinman Angus has to offer. Known for their dedication to performance testing, they also keep a demanding eye on the females they produce.

The accomplishments of this herd are many, but none more important than where it started. With a few heifers, dogged determination and a passion for the industry, Dave and Yvonne created a herd of Angus cows that allowed them to make a living, raise their family and buy a ranch—all with the cowherd they bred and raised.

HA PSI K031

AAA 20501041

PSI sired the leadoff sale bulls in the 26' HA sale. A true performance sire, that combines calving ease and maternal. Progeny exhibit the traits of MGD HA Rito Lady 3839.

Myers Fair N Square

AAA 19418329

When it comes to finding a reliable sire, look no further. One of the most-used sires the breed has seen in the past half decade. Daughters are making incredible females.

HA Strategy 4425

AAA 21099307

25' high selling bull to Lufkin Cattle Co. MGD HA Forever Lady 1575. Top 2% Teat. 4% UDDR

Hinkson Honor Roll

AAA 20728327

Honor Roll saw a lot of use throughout the breed last year. No doubt one of the most exciting young sires to come on the AI scene in the last couple years.

HA Incentive L959

AAA 20810918

L959 is truly a standout. Sitz Incentive x HA Ever Lady 1575 was an outstanding mating. He sired an outstanding set of bulls that sold in the '26 Hinman Angus Sale.

BCC Rapport

AAA 20858408

Purchased by ST Genetics from Barragree Cattle Co. Rapport's popularity continues to grow. His EPD profile is impressive: top 1% Claw, 10% Angle, 15% MB and \$C.

Vermilion Three Rivers L171

AAA 20651602

Big-time growth bull that's doing a terrific job. Excellent balance in all areas of production and maternal.

Spring Cove Reno 4021

AAA 17926446

Reno has proven himself as an elite maker of females. Numerous daughters have become donors across the country in some of the breed's most high-profile programs. Top maternal traits: 1% \$M, 3% \$W, 5% FL, 10% TEAT and Claw, 20% \$C and 25% UDDR.

HA Rito Lady 3839

AAA 17651108

Best known as the dam of HA Value Added, Hoffman Thedford and Hoffman High Road, and the maternal granddam of HA PSI K031. The 3839 cow family will be prominent in the pedigrees of many of the heifer calves available.

HA Ever Lady 1575

AAA 17058509

1575 has had a tremendous impact on the Hinman Angus program. She is the dam of HA Incentive L959, whose progeny will be available in this pick. She ranks in the top 2% FL, 15% UDDR and 25% TEAT.

Bred Heifer

offered by KG Ranch

Sitz Eternity 739L
Sire of Lot 24

The SITZ Eternity daughters are going to make exceptional females. Backed by one of the best females ever produced at Sitz Angus Ranch, SITZ Pride 200B. 200B is also the dam of Sitz Stellar, the legendary ABS Global sire. Cow-maker pedigree on the bottom side of this pedigree. Logo and Powerball both fall in the category of sires that produce outstanding females.

5168 ranks in the top 4% for HP. Top 10% CLAW. Her moderate-birth, high-growth EPD profile should fit most any program.

DUE: February 4, 2027, to Ellingson Badlands 0285.

Badlands has proven himself to be one of the elite sires in the breed. This should be an exceptional mating.

Sitz Eternity 739L
Sire of Lot 25

Another powerful daughter of SITZ Eternity. Eternity has proven himself to be a sire that works for most matings. A complete sire that the commercial cattlemen have given their stamp of approval. Eternity posts one of the most complete EPD profiles in the breed. Both TEAT and UDDR rank in the top 1%. His foot EPDs at 5% Claw and 1% Angle are breed-changing traits.

The dam of 5201 posts 3 WW @ 110. 3 YW @ 108. Female-maker pedigree with Powerball and Madrid Cash Flow. Cash Flow is backed by a tremendous female, Sitz Barbaramere Nell 1824. She served as the cornerstone of the Madrid Angus ET program.

DUE: February 4, 2027, to HT Showman 3258. 3258 is an elite heifer bull with excellent growth. Former top-selling bull at Hollowtop Angus.

27

LAR MAN IN BLACK
Sire of Lot 27

A heifer that caught our eye at an early age and continued to impress us all summer. A deep-bodied heifer that still maintains a feminine appearance to go with her powerful makeup. She carries her head up naturally high and is level through the top of her hip. She weaned off her mother at 705 lbs. on dryland grass and no creep. Her dam is a powerful, deep-bodied and broody cow that stands on excellent feet and has a perfect disposition. She has raised several top prospects for us.

The Man in Black progeny have all come easy and grow extremely well on our dryland grass. All exhibit impressive structure, phenotype and very calm dispositions. This might be the most gentle heifer we've been around. She was a breeze to halter break and would be an excellent prospect for a young junior showman.

Top 25% CED, BW, \$EN, \$M

Basin True Balance 4002
Sire of Lot 28

Connealy Spur
Maternal Grandsire of Lot 28

Really unique pedigree in this April heifer calf. Basin True Balance 4002 was the popular \$120,000 top seller of the Montana Co-op Bull Sale. His dam, Basin Rita 2003, a past NILE consignment, is one of the true power cows to come out of the Basin Angus program. The True Balance EPD profile is elite! Highlighted by \$404 \$C.

OCC Lucy 844, the dam of this consignment, has a most interesting pedigree. Her sire, Connealy Spur, is one of the finest sires ever raised at Connealy Angus. Purchased by Vermilion Ranch, where he was the cornerstone for many years. 844's maternal grandsire, Kahn Broadband R A 94L, features Traveler 124 G D A R and Sitz Everelda Entense 1137, both dominant individuals of that era.

This sweet heifer is bred to be a good one. EPD profile backs that up. The Lucy cow family is one of the best at Olson Cattle Co. and responsible for many NILE consignments over the years.

M A R Pacifico 260

Sire of Lot 30

Baldrige Alternative

Maternal Great Grandsire of Lot 30

Here's an extremely attractive heifer with a real showy look. Good-haired, thick and square-made with plenty of bone and foot. Excellent temperament!

6031 possesses a big-time Marbling EPD coupled with a strong \$C, giving future matings a head start to build something special. M A R Pacifico 260 is making a name for himself as one of the very best sons of Sterling Pacific 904. Sterling Pacific 904's maternal granddam, Baldrige Isabel Y69, is regarded as one of the greatest cows the Angus breed has ever seen.

6031's dam stems from Malek Angus Ranch at Highwood, Montana. M A R Erica Rito 2003 combines two well-known sires, Baldrige Alternative and Casino Bomber.

Sitz Dignity 599J
Service Sire to Lot 33

7 BWR 108 | 6 WR 110 | 6 YR 108

Incredible opportunity to select a donor from the heart of the SITZ program. Sitz Pride 54E is best known as the dam of the \$100,000 Sitz Prototype 729N, selected by Lindskov's LT Ranch, Isabel, SD. This powerful calving-ease son of the ever-popular HF Hi Country was the pick of the SITZ crew to start their record-setting spring '26 sale.

A full brother, Sitz Hi Country 738N, was purchased by Rollin Rock Angus and Botts Angus. Another maternal brother was the lead-off Eternity son. 54E progeny had a huge impact on the spring Sitz sale. These kinds of proven donors are hard to come by. Her pedigree is packed with some of the best cows ever raised at Sitz Angus. 54E ranks in the top 3% for TEAT, UDDR and CLAW. Top 10% \$M.

DUE: January 23, 2027, to SITZ Dignity 599J.

Dignity is a game changer when it comes to heart health, posting a remarkable -5.53 PAP EPD, ranking him in the top 1% of the breed. Top 1% Claw, Angle and HP. 5% \$M. Dignity's shape and structure, coupled with his impressive EPD profile, put him among the elite bulls of the breed.

The calf 54E is carrying could very well be the cornerstone of any program.

34

PICK OF 2026 BRED HEIFERS

Sitz Angus

Dillon Ranch Only

What an opportunity to tap into the Sitz program! Pick from over 200 bred heifers at the Dillon Ranch. Large sire groups, including many ET daughters. Mates to the record-setting bulls sold last spring. These females represent decades of Sitz breeding, widely recognized as a breed leader in maternal genetics. Heifers are ANGUS GS tested.

HF Hi Country 7L

AAA 20899271

Hi Country sired three \$100,000-plus sons at the Sitz Angus spring sale. One of the breed's most popular sires.

SITZ Eternity 739L

AAA 20631435

One of the most exciting bulls to come out of the SITZ program. Combines Man In Black with the tremendous SITZ Pride 200B, the dam of Sitz Stellar.

SITZ Insignia 12031

AAA 19974049

Insignia continues the Logo tradition. Sired a \$120,000 son this past March at the SITZ spring sale. A true female producer in the making.

SITZ Dignity 599J

AAA 20003585

Dignity progeny are best described as complete. A cattleman's bull. MGS SITZ Invasion 574D has left a tremendous set of daughters, including Barbamere Nell 53F, the dam of Dignity and SITZ Incentive 704F.

SITZ Intellect 687L

AAA 20614860

Intellect combines calving ease with tremendous growth. Checks all the boxes!

Poss Relevance 1915

AAA 20127503

Relevance is a phenotypical stud! Long, powerful son of one of the best bulls to ever come out of the Woodhill program.

SITZ Heritage 8732

AAA 20321078

Heritage has become extremely popular with the SITZ commercial clientele. Moderate-framed, easy-fleshing with a high \$C. Produces females that will work in a tough environment.

Bred Heifer

offered by Skinner Ranch Seedstock

Coleman Donna 6317
Dam of Lot 35

A broody heifer that is hard not to like. An embryo heifer that combines look and excellent production numbers. This balanced female is going to make a great brood cow.

Her dam was selected by Skinners out of Coleman's fall dispersal sale. She was noted by many in that sale for her incredible type and kind. She is a wedge-shaped female that has a great udder and excellent ratios to back up her ideal kind. She records ratios of BWR 7@90, WWR 7@105 and YWR 6@104.

Legitimate is a sire that has gained popularity for adding length and balance to his daughters while boosting performance. Our first daughters are doing a great job.

Don't miss this opportunity to own a Donna that is loaded with maternal greats like Juneau 044, EXT, Rainmaker 4404 and Fair n Square.

DUE: January 22, 2027 To HF Elevation. Elevation was purchased from Hamilton Farms in their 26' spring sale by Skinner Ranch Seedstock, Big Rok Angus and Regency Acres. A son of the popular HF HI Country.

offered by Skinner Ranch Seedstock

Square B Atlantis 8060
Sire of Lot 36

A tremendous opportunity to invest in a heifer with an incredible look to her. This heifer has the hard-to-find combination of a beautiful front end, soft middle with an incredible top and hip in her. Additionally, she is excellent in her structure and movement with great feet. She posted a WWR of 106 off her dam.

The dam of this heifer is still in production at 10 years of age. She is an Angus female that is powerfully designed with a great udder and perfect feet. She posts a WWR of 8@101.

Her sire, Atlantis, needs little introduction as a sire that produces broody daughters with great udders and that classic Angus cow look.

This is the type of female that the Skinners love to raise and hate to let go of.

DUE: January 22, 2027 To SRS Noteworthy. Noteworthy was the the top selling Fair N Square son this past year at SRS to Regency Acres. High CED sire with tons of rib and dimension.

37 PICK OF DOWN T VENERATE DAUGHTERS

Stevenson Down T Angus

Your opportunity to pick from the FIRST and ONLY heifers by Down T Venerate from Stevenson Down T Angus.

An industry highlight of the spring sale season, VENERATE generated tremendous interest as our high selling bull at \$180,000 to ST Genetics. A truly impressive individual, VENERATE is improving a multitude of production, maternal, management and carcass traits. His unique pedigree is stacked with maternal legends from the herd bull producing PRIDE cow family. VENERATE saw heavy nationwide use this year and is set to be the lead off sire for ST Genetics. One of the most talked about bulls in the business, VENERATE has a big future ahead. If you can attend the NILE, visit him at ORigen and see for yourself.

We are excited to share the best of our 2026 calf crop. VENERATE ... to regard or treat with reverence, revere ... was aptly named. As a calf and through sale day, VENERATE captivated the attention of astute cattleman worldwide. His first set of daughters are doing exactly the same! Hands down the most esteemed sire group for every visitor this summer. This decision to open our gates did not come lightly; we are confident there are several candidates with the ability to create tremendous future value. Get in on the ground floor, select from 27 daughters ... NOTHING HELD BACK!

Look for sale day video for an overview of the offering.

Thiessen's Regency Acres

PICK OF HERD FLUSH

Guaranteed 6 transferable Embryos.

For the first time in 70 years, the heart of the Regency Acres Angus program is yours to choose from.

Regency Acres Angus is offering an unprecedented opportunity to select any female in the herd and flush her to the bull of your choice.

For 70 years, Regency Acres Angus has built a maternal herd around the traits that matter most: fertility, longevity, soundness, maternal ability and real-world functionality. These are the females that have built the herd, raised top cattle and shaped the genetics carrying Regency Acres Angus forward.

For this opportunity, nothing is held back. No designated donor. No select group. No short list. You pick the female. Whether it is a proven donor, a cornerstone cow or a young female you believe has a big future, the choice is yours.

This is your chance to reach into the heart of the Regency Acres maternal program, select the female that best fits your vision and build a mating around genetics that have been generations in the making.

Transportation provided to Trans Ova, Onida SD.

70 years of maternal selection. One pick. Your choice!

RA Everelda Entense E69

AAA 21243116

RA Everelda Entense E69 was the high-selling female in the 2026 sale at \$31,000, selected by Miller Angus in SD. Bold-ribbed, deep-bodied and beautifully feminine through her front third, she carries the presence and broody cow look that great females are known for. She stands on excellent feet with outstanding hoof quality and ranks in the top 1% for docility, top 2% for PAP, and top 10% for \$M, \$W and \$F, while posting an outstanding 113 weaning ratio.

RA Blackwood Lady 968

AAA #19512261

RA Blackwood Lady 968 has raised multiple bulls who have found their way to the top end of the bull sale, including the third high-selling bull in the 2023 sale to Thorton Ranch. She is out of a phenomenal 11-year-old cow that is still in production. Her dam has produced 9 calves with a weaning ratio of 103 and 9 who ratioed 104 as yearlings. 968 herself has produced progeny who have ratioed 5 at 103 at weaning and 5 at 107 at yearling.

RA Rosie 143

AAA 20054250

RA Rosie 143 is out of a coming 12-year-old cow still in production on the ranch. RA Rosie 143 has raised bulls that have found their way toward the top of the sale and raised the top heifer calf that made her way to the replacement pen last year. Her production records include a birth ratio of 3 at 93, weaning ratio of 3 at 112 and yearling ratio of 3 at 110. She is a proven easy calver with explosive growth.

RA Erica Lass 935

AAA 19512279

RA Erica Lass 935 raised the high-selling bull selected in 2023 by Lunds B Bar Angus and Maus Angus and one of the top-selling bulls in 2024. Her production records include 5 at 102 at weaning and 5 at 104 at yearling.

RA Rosie 857

AAA 19364480

RA Rosie 857 produced the high-selling bull in the 2021 sale and multiple sons who have found their way to the top of the annual bull sale. Her production records are 5 at 99 for weaning and 5 at 105 for yearling.

Pick of Bred Heifers

offered by Vermilion Ranch

42

Vermilion Ranch PICK OF BRED REPLACEMENT HEIFERS

Your opportunity to select from 250 replacement bred heifers from the Vermilion Ranch.

These heifers are the best from over 500. They represent over 60 years of performance breeding. There are large sire groups to choose from. Most all these heifers are AI sired, and EVERY ONE of them are AI bred to calve the first part of February 2027. All the heifers are ANGUS-GS measured.

Service Sires

Circle L Unified AAA 20592872

Unified has exceeded all expectations. He has done a tremendous job for us and others in the breed. He ranks in the top 15% in 13 EPD categories, including top 1% \$M - \$W.

Vermilion Irish Whiskey

AAA 20990530

Proving to be one of Basin Jamison's best. Top-selling bull at the 2025 Vermilion Sale at \$75,000, and out of our best Bomber daughter.

E & B Everett AAA 20704191

Our second year using Everett. Tremendous EPD figures. His first bull calves will be a feature in our 2027 Spring Sale.

Embryo Package

offered by Hilltop Angus

Hilltop Frontier 317M
Son of Hilltop Perfection 37J

BCC Rapport
Sire of Lot 43

Hilltop Perfection 37J is a perfect brood cow with a great udder and feet. She is the featured donor at Hilltop Angus. Hilltop Perfection 37J is the dam of Hilltop Frontier 317M, the high-selling bull of the 2025 bull sale to Math Farms and Peterson Grain & Cattle. Using BCC Rapport on this proven donor will result in offspring with a truly balanced set of EPDs and a practical build that will work for all types of cattlemen. These offspring will have the eye appeal and look while adding true value to your program.

BCC ELBA MERRICK 81L
Donor Dam of Lot 44

BCC Rapport
Sire of Lot 44

BCC Elba Merrick 81L is unmatched for her ability to combine power and performance with such good looks, and she easily made her way into the donor pen. BCC Elba Merrick 81L claimed the Grand Champion Cow-Calf Pair honors at the 2025 NILE with an impressive bull calf at her side. Combining her record of show ring success with a mating to BCC Rapport will result in some head-turning offspring.

Deep-ribbed, heavy-muscled and with exceptional structure, this mating will have the proven maternal traits that will result in offspring you will want to keep in the herd after you have made a successful run with them in the show ring.

Embryo Package

offered by TJS Angus

Coleman Donna 2416

Donor Dam of Lot 45
as a yearling

GAR Wallace

Sire of Lot 45

Here is a unique opportunity to purchase an embryo package that combines maternal, carcass and phenotype. Coleman Donna 2416 was the \$32,500 selection of Jocko Valley Cattle of Montana back in 2023 at Coleman's Fall Herd Female Dispersal Sale. Last spring we were given the opportunity to purchase her from Jocko Valley. She was the lead-off flush-mate sister by Hummel South America back to Coleman Donna 4203. Donna 2416 is a very feminine, long-bodied, heavy-muscled female with an attractive, cool look.

The sire, G A R Wallace, is a unique son of the great Basin Jameson. Wallace has been siring cool, multi-trait excellence cattle all over the country this spring and fall, including the \$230,000 top-selling open heifer at Spruce Mountain. He also sired the \$140,000 third high-selling open heifer at JB Farms of West Virginia.

View and Bid Live Online

Bid through Northern Livestock Video Auction's Online Bidding Platform! Desktop and Mobile Friendly.

FROM YOUR DESKTOP

1. It is best to use the Google Chrome web browser.
2. Pre-Register at least one day prior to the sale.
3. Go to bid.NorthernLivestockVideo.com and click "Get Approved to Bid".
4. Doing this will prompt you to create an account, after which you will fill out a bidder approval application.
5. Once approved an email will be sent to the email account provided. Please click the link in that email to activate your account and a buyer number will be provided.
6. On sale day (after approval), visit www.NorthernLivestockVideo.com to view and bid!

FROM YOUR MOBILE DEVICE

1. Use your mobile device to download the Northern App and follow the above steps to get approved.

There is an instructional video on how to register to bid on our website, www.northernlivestockvideo.com if you have any questions.

For technical assistance with Internet Viewing and Bidding Questions, call Sam Fraser 406-860-0590.

PHONE BIDDING

Anyone wanting to use the Northern Livestock phone bank to bid must pre-register and have a bid number to bid on the phone.

Northern Livestock Sale Day Bid Line 1-406-245-0889.

To register with NLVA, call 866-616-5035 Before Sale Day.

View the Online SALE BOOK and VIDEO CLIP of each lot selling at www.NorthernLivestockVideo.com

Bidders who are successful in making purchases will be contacted following the sale to make payment and delivery arrangements.

The 14th Annual NILE Angus Heifer Futurity and the NILE Angus Phenotype/Genotype Show were the highlight of the 2025 Angus events held during the NILE stock show in Billings, MT on October, 16, 2025. The NILE Angus Heifer Futurity is designed to profile the development of the open heifers purchased through the Montana Angus Association's NILE Angus Female Sale. The show is open to Angus Juniors who purchased and registered a heifer in their name from the previous year's NILE Angus Female Sale.

In the Phenotype/Genotype show, the judge was asked to evaluate the cattle based on looks and expected performance through EPDs. This is a newer show for Montana Angus and we're looking to grow it in the future. We also hope that this will be an educational opportunity for the youth as they will learn about EPDs and \$Values as part of the process of selecting feedstock. Ty Bayer – Ringle, WI was the judge of both these shows.

Payouts are based upon entries and the 2025 show had 10 head shown by 9 juniors. All participants received a vest and cash award. Every Junior received at least \$250 for participation. Grand Champion received \$1,000 and Reserve Champion received \$800. If you're a Montana Angus Junior member and purchased a female or bred heifer through the 2025 Sale, look for an entry form for the 2026 Futurity Show in the NILE premium book The show premium is published each year by mid-summer. Please contact Jake Callantine at (406) 581-4764.

Grand Champions

\$1,000 was awarded to the 2025 NILE Grand Champion Futurity Female. StreamSide Elisha 2425 is owned by Jack Gillette of Roy, MT, and the heifer was bred by Trista Bates, Streamside Cattle Co., of Manhattan, MT. StreamSide Elisha 2425 is the daughter of Conley No Limit and StreamSide Elisha 1924.

Reserve Champions

\$800 was awarded to the 2025 NILE Reserve Champion Futurity Female. WW Lady Blackbird 412L is owned by Sadie Jordan of Alva, WY, and the heifer was bred by Wylee Simenson of Chinook, MT. WW Lady Blackbird 412L is the daughter of Hill Valley Reckoning 931 and BCC Lady Blackbird 160G.

\$1,000 was awarded to the 2025 NILE Grand Champion Phenotype/Genotype Female. StreamSide Elisha 2425 is owned by Jack Gillette of Roy, MT, and the heifer was bred by Trista Bates, Streamside Cattle Co., of Manhattan, MT. StreamSide Elisha 2425 is the daughter of Conley No Limit and StreamSide Elisha 1924.

\$800 was awarded to the 2025 NILE Reserve Champion Phenotype/Genotype Female. JLF Reba 4053 is owned by Bayley Becker of Ballantine, MT, and the heifer was bred by Jordyn Wagner, Billings, MT. JLF Reba 4053 is the daughter of Square B Atlantis 8060 and JLF Reba 0222.
